

Christmas Outreach

Once again this year Reaching-Out Community Services will be conducting its Annual Operation Christmas Smiles event.

Each year we provide toys to over 1,000 low-income children that are registered with our emergency food program.

Throughout the years we have been blessed to received toys from Toys for Tots, along with a few local organizations and community members.

For the last 4 years Toys for Tots have failed to provide toys for the events we conduct. Sadly, this being heard from many of our local community members and organization that normally provide toys to that organization are extremely disappointed why toys are not given to low income children in the communities we serve.

As a result, each year we have a few local organizations, schools and community members that provide toy drives to our organization to ensure each child will receive and be part of the events we provide.

I'm asking if you may be willing to join in and partner with us to make this year a wonderful event for the kids.

We have started a toy collection called "Toys 4 Kids" a few years ago and the toys we collect will bring smiles to the children faces.

For more information you may contact me at 917-509-9055 or email at Info@rcsprogram.org

The events will take place on December 15th, and 22nd.

Thank so much for helping to Keep the Good Going.
